RE: Urban Design Committee conceptual review of a roundabout at the intersection of Idlewood Avenue, Grayland Avenue and the Interstate 195 off-ramp; UDC File No. 2014-30

Dear Sir/Madam,

The City of Richmond Urban Design Committee (UDC) has received an application for conceptual review of a roundabout at the intersection of Idlewood Avenue, Grayland Avenue and the Interstate 195 off-ramp. You/Your association is receiving this letter because this property is within 1000' of your boundary. If you wish to learn more about this proposal, please contact the applicant, Tom Flynn, in the City of Richmond Department of Public Works, at (804) 646-3435 or at thomas.flynn@richmondgov.com

The UDC is a ten member committee created by City Council in 1968 whose purpose is to advise the City Planning Commission on the design of projects on City property or right-of-way. The UDC provides advice of an aesthetic nature in connection with the performance of the duties of the Commission under Sections 17.05, 17.06 and 17.07 of the City Charter. The UDC also advises the Department of Public Works in regards to private encroachments in the public right-of-way.

This item is scheduled to be considered by the Urban Design Committee at their meeting on Thursday, September 4, 2014 at 10:00am in the 5th floor conference room of City Hall, 900 E. Broad Street. The UDC recommendation will be forwarded to the City Planning Commission for inclusion on the agenda of their September 15, 2014 meeting.

If you have questions about this proposal or about the UDC review process or would like to provide feedback on the project, please do not hesitate to contact me at (804) 646-6348 or at jeff.eastman@richmondgov.com.

Sincerely,
